# SHAPE THE FUTURE OF MOBILITY

Nominate for the Board  
Membership of the  
prestigious Charge Point  
Operators Society of India.

**Charge Point  
Operators  
Society of India**

**Dear Member,**

As mobility undergoes a seismic shift towards electrification, the Charge Point Operators Society of India stands as a beacon of innovation in shaping the future of e-mobility. We are seeking visionary individuals like you to join our Board Membership and lead the charge in this transformative journey!

For the first time, we are democratizing the election of board members, empowering every member to have a say in shaping the direction of our society.

**Are you ready to be at the forefront of the conversation?**

**As a Board Member, you will:**

- Drive policy advocacy by spearheading discussions and initiatives that prioritize sustainable mobility solutions and address pertinent issues head-on
- Take the helm in addressing the most pressing and intricate challenges faced by Charge Point Operators through pioneering initiatives
- Engage in PPP mode to facilitate meetings and discussions, backed by the support of the CPOs of India Board, at ministerial, PMO, financial, and regulatory levels

Your voice is critical in steering the course of e-mobility in India. Let's harness the power of collaboration and innovation to pave the way for a greener, cleaner future

Sincerely,

Prashant Gandhi  
Secretary (Election Committee)  
The Charge Point Operators Society of India

## About Charge Point Operators Society of India

The Charge Point Operators Society (CPOs) of India is a pioneering association representing the collective interests of Charge Point Operators, across the nation. Dedicated to fostering the growth and proliferation of electric vehicle (EV) infrastructure, CPOs serves as a unified platform for collaboration, advocacy, and innovation in the rapidly evolving EV ecosystem of India.

Through our collective efforts and unwavering commitment to excellence, the Charge Point Operators Society (CPOs) of India continues to make a significant impact on the development and advancement of electric vehicle infrastructure, driving India towards a cleaner, greener, and more sustainable future.

## Our Vision & Mission

CPOs is committed to providing active support to The Charge Point Operators, other stakeholders and Govt. of India in shaping up the right future for Electric Vehicles and to put India as a front-ranking country, having adopted & harnessed the full spectrum of urban mobility through EVs.

We work closely with various Ministries including MSME, State Nodal Agencies and NITI Aayog on policy framework & pilot projects for the implementation of Safety, Security of Users & their Assets, Environment, Charging Infrastructure & Electric Mobility across the many Indian States and Union Territories.

# ELECTION PROCESS

## 1 MANIFESTO & LAUNCH OF THE CAMPAIGN

Candidates interested in running for election must first prepare a manifesto outlining their vision, goals, and proposed initiatives for their desired position. Manifestos should be launched with the Election Campaign that will end on 15th May 2024

## 2 MANIFESTO RELEASE FOR CPOS VOTERS

The manifestos will be published on various social media platforms, including but not limited to Facebook, Twitter, LinkedIn, and Instagram. Manifesto posts should be public and include relevant hashtags such as #ElectionOfEVolution and #ChargePointOperatorsSocietyOfIndia

## 3 HIGHLIGHTING THE INDUSTRY'S PAIN POINTS AND AREAS IN NEED OF IMPROVEMENT

Emphasizing the critical need to highlight the pain points and areas requiring improvement within the industry through the manifesto and recognizing that acknowledging and addressing these challenges is paramount to fostering growth and sustainability

## 4 ELECTION DAYS

Throughout the Election Days, voting lines will remain open from April 16th to midnight on April 19th, 2024. Members are encouraged to cast their votes during this period, and the results will be declared on May 20th, 2024

## 5 ANNOUNCEMENT OF RESULTS

The Election Committee will announce the results. Successful candidates will be notified of their election to their respective positions within the society, and the new leadership team will be declared

## 6 OATH TAKING CEREMONY

Elected Board Members in the 2024 elections will formally take oath on May 30th, 2024, in a historic ceremony named "Planet Pledge," symbolising their commitment to environmental stewardship and global cooperation for 2 years

By following this structured election process, the Charge Point Operators Society of India ensures transparency, fairness, and active participation from its members in the democratic selection of its Board Members.
